Mr. Slavtcho Neykov
Director,
Energy Community Secretariat

Pristina, 23.07.2012

Dear Mr. Neykov,

With reference to our discussion at the "Day of Kosovo" in the Energy Community, I kindly ask you to incorporate one crucial point of discussion in the agenda of the Ministerial Council meeting to be held on the 18th of October, 2012, in Budva, Montenegro.

In this direction, taking into account the importance of resolving the complaint from the operator of the electricity transmission system in Kosovo (KOSTT) – with regard to Serbian transmission system operator (EMS) failure to fulfill its obligations under the Energy Community Treaty, we would be very grateful if the Energy Community Secretariat will take into consideration and approve our proposal.

While expressing our strong commitment in contributing to the functional and integrated regional energy market, please accept our sincere appreciation for the proactive work that the Energy Community Secretariat has been doing so far.

If you may need any further information on the abovementioned issue, please do not hesitate to keep in contact with your focal points within Ministry of Economic Development.

Yours sincerely,

Besim Beqaj
Minister
